## PYSO PERCUSSION VIDEO AUDITION

PYSO percussion auditions use a different audition procedure than the other instruments. Musicians interested in auditioning for percussion must submit a video audition (via DVD or youtube link).

If you have problems regarding access to timpani, xylophone, glockenspiel or any other instruments on the percussion audition list (excerpts listed below), just play the excerpts on the instruments you have. Your audition will be reviewed by the PYSO Music Director, PYSO Percussion Coach and the PYSO Executive Director.

After reading the guidelines below please:

1. Complete the PYSO online application form.

### **Guidelines:**

1. Video auditions should be submitted on a standard DVD or links submitted via YouTube to [www.pyso.org](http://www.pyso.org). Recording with personal or home devices is perfectly acceptable.
2. Professional recordings are not necessary.
3. Position the lens angle and field-of-view so that both right and left arms are in clear view.
5. Ensure that lighting and acoustics are adequate.
6. Play excerpts in any order you choose. If you need to stop and start an excerpt again, do not pause or stop recording – you can simply begin again with the excerpt you were playing and continue.
7. Entire video audition should not exceed 15 minutes. It should be one file only, not multiple separate files.
8. Mail DVD to:  
Pittsburgh Youth Symphony Orchestra, 600 Penn Avenue, Pittsburgh, PA 15222
