- Students must be picked up and dropped off by the authorized person name below.
- Students must be picked up and dropped off at a convenient location to the group.
- Permission to leave the group must be submitted in writing PRIOR to tour departure so that the staff and chaperone have sufficient time to review the request and make the necessary arrangements.
- Each event requires a new form.

Although this may take planning and time on your part, please understand that the safety of the students is very important to us, and that group arrangements require prior financial and planning commitment.
